Tip or Complaint: William L. Brewer is a hill top farmer [REDACTED]. He raises cattle and hogs. He's polluting the air with the affluence stench, and pollutes a [REDACTED] stream [REDACTED] with the uncontrolled run-off generated by these animals daily. It's very obvious his farming operation is not a clean one. There is no "enjoying a breath of fresh air" in our part of this County (Rock)! How can we stop this from continuing?
